Dear Donna,

The Bonneville Power Administration (BPA) has received and reviewed Flathead County Planning and Zoning's inquiry for the FZC-21-15 Brian Brown. The property can legally be described as the East half of the Northwest quarter of the Southeast quarter of Section 35, Township 28 North, Range 21 West, P.M.M., Flathead County, Montana.

At this time, BPA does not object to this request, as the property is located approximately 0.71 miles away from the nearest BPA transmission lines or structures.

Thank you for the opportunity to review this request.

Sincerely yours,

*Nedda L. Nelson*

**RE: FZC-21-15 Brian Brown and Teresa McAllister- Zone Change Request**

Dear Donna,

Thank you for the opportunity to comment on the above zoning request change from AG-80 Agricultural to SAG-5 Suburban Agricultural in the Lower Side Zoning District.

The District requests all solid waste generated at the proposed location be hauled by a private hauler. Evergreen Disposal is the licensed (PSC) Public Service Commission private hauler in this area. Their business phone number is 406-257-1739.

Please feel free to contact me with any questions. My direct number is 406-758-5773. Thank you again for the opportunity to comment on the proposed zoning change request.

Respectfully,

James Chilton  
Operations Manager  
Flathead County Solid Waste District
